To: ——————————————-

This is a recomendation letter to inscrit Miguel Jorge Bernabé Ferreira in the workshop ”Symmetry and topology in quantum matter”. Miguel Jorge Bernabé Ferreira is a dedicate postgraduate student, located at Physics Institut of São Paulo University, attualy developing research to obtain the doctorate degree working in the area of this workshop. In this sense it is very important to him to participate in this workshop to agregate knowledgement in his formation.

From: Vilma S. Walder Vuolo
PhD from Aplied Physics Department
Physics Institut of São Paulo University
